BMR and MCC Participating Lenders

When you look into purchasing a Below Market Rate (BMR) home, you can choose from among competing lenders and different types of loan programs for your home purchase financing. However, you will find that not all lenders are familiar with, or currently participate in financing a below market rate home that has Resale Restrictions.

Below is a list of the lenders who have recently assisted first-time homebuyers to purchase a BMR home in Marin, and who are familiar with the BMR Resale Restrictions that govern the sale and future resale of a BMR home in Marin. Also of benefit to you, these Participating Lenders can assist you in obtaining a Mortgage Credit Certificate (MCC) that can help you qualify for your home loan and can provide significant savings in your federal income taxes. Please contact Marin Housing for more information.

When you contact one of these lenders, please be sure to identify up front that you are applying to purchase a Below Market Rate (BMR) property through Marin Housing, and that you are also interested in a Mortgage Credit Certificate (MCC), if it is available.
